Fold

1740 Digital answering system

Remote commands

To connect with your answering system:

1. Dial your telephone number from a touch-tone phone.
2. When the system answers, enter your remote access code.
The system announces the number of messages and begins message playback.
3. Listen to your messages.

-OR-

Press **5** to stop message playback and wait for the two-beep signal before entering a remote command.
