

# Registering the AT&T TL7600 Cordless Headset to an AT&T DECT Cordless Telephone Base

1. Place the Headset in the headset charger
2. On the telephone base of the cordless phone, press and hold the **HANDSET LOCATOR** button until the **IN USE** light comes on.
3. The headset will be registered to the telephone base automatically.
  - This may take up to 30 seconds to complete.
